PROFILE

Electronics & Communication Engineering student at Manipal University Jaipur with experience spanning **campus outreach, social media, student engagement, automation, robotics and web development**. Experienced in representing brands on campus, organising outreach activities, growing awareness among students, managing digital content and working directly with clients. Also experienced in technical project execution through a 200 kg-capable AGV internship and freelance web development.

PROFESSIONAL EXPERIENCE

Bread & Butter

Campus Ambassador | 6 months

- Represented Bread & Butter on campus, building awareness and connecting the brand with the student community.
- Managed and supported the brand's **social media presence**, coordinating campus-focused content and promotions.
- Planned and executed **2 student outreach events** to increase direct engagement and brand visibility on campus.
- Expanded campus reach through peer-to-peer promotion, student networks and targeted on-campus outreach.
- Collected student feedback and communicated insights to help improve campus-facing promotions and engagement.
- Built relationships with students and coordinated promotional activities to strengthen the brand's presence within the university community.

Abilities India

Engineering / Automation Intern

- Worked on an **Automated Guided Vehicle (AGV)** designed to lift and transport loads of up to **200 kg**.
- Contributed to system assembly, testing, troubleshooting and refinement.
- Worked hands-on with motors, sensors, motor control and embedded hardware while developing and validating the prototype.

Freelance Web Development

Independent — Client Projects

- Developed websites and digital experiences for multiple clients and companies based on their requirements.
- Managed projects from requirement gathering and development through testing and delivery.
- Worked directly with clients, translating business requirements into functional and user-friendly web solutions.

LEADERSHIP & CAMPUS INVOLVEMENT

ACM MUJ Student Chapter

Junior Committee Member — PnR & Web Development → Team Head — Web Development

- Started as a Junior Committee Member across PnR and Web Development, contributing to chapter initiatives and technical activities.
- Progressed to **Team Head — Web Development**, coordinating team members and overseeing web-development work.
- Collaborated with students across technical teams to execute chapter initiatives.

Oneiros'26

Organising Committee — Manipal University Jaipur

- Contributed to planning and execution of the university's annual student fest.

Tech-Ideate'26

Organising Committee — Manipal University Jaipur

- Supported coordination and execution of the university's technical festival.

Elicit'26

Core Committee Member — ACM MUJ

- Contributed to planning and execution of a student technical event.
